(with low C extension or 5 strings)

If a chamber orchestra is used it must have at least 8.8.6.6.2 strings

*In the 3rd movement Alla Turca sections the percussionists can add/substitute instruments if suitable options are available. Likewise, the indicated cello and bass technique marked can be experimented with.

Score notated at pitch except for usual octave transpositions. Harp harmonics are notated at played pitch, sounding 8va..

Multiple notes in string parts are always divisi unless otherwise marked.

Tuplets are always exactly even values, so e.g. 5 is never 3+2, duplet plus triplet etc..

Some enharmonic respellings are used in the parts to clarify melodic line., and are employed widely in the harp part.
